- Hot-Swap !
- For HDD/SSD !
- SATA !
- Bootable !

This Hot-Swap drive bay enables you to operate a changeable 2.5" HDD or SSD in a Slim-Line drive slot. The adapter can also be used in notebooks/laptops, because the adapter is equipped with Slim-DVD-SATA-connector on the rear side.
In addition you get an external Slimline USB enclosure. You can use a Slimline CD/DVD drive in it or the bay-adapter (with HDD/SSD).

Specifications :
- Interface : SATA(HD) to SATA(DVD)
