- JBC323U591W-3160-B

- M/B Model: JNU591-3160
- Embedded Intel® Braswell N3160 System
- 1 \* DDR3L SO-DIMM slot (Max. to 8GB)
- Application: Networking, Industrial Automation, IoT

|                     |                                                                                                                                                             |
